Dear Sir,

COMMUNITY PROJECT--South Kanara--Need for an addl. Project Officer--Proposals--Submitted--Early ... Requested.

Ref: This office Ref.C.No.28/54, Dt. 11-12-1954.

--

A copy of my report cited is enclosed. The necessity for one more Asst.Project Officer has been explained therein and it still continues and indeed is very urgent. I request that the post may be sanctioned for one year, with necessary staff and the Collector may be requested to appoint a suitable Tahsildar for the post of Asst. Project Officer and the clerical staff from the Revenue establishment. The Head Quarters of the asst. Project Officer may be fixed at Moodabidri, which is the Centre of the II Block.

Yours Sincerely,

(H.Narasimha.) 21.4.55

To
The Director of Community Development, Madras.

Sir,

COMMUNITY PROJECTS--South Kanara--Sanction of one additional Asst. Project Officer--Proposals Submitted.

1/ With the transfer of 10 villages of Wandse and Bainduru firkas of Coondapur Taluk to Bainduru National Extension Service Block as ordered in G.O.Rt.No.1024 P. (R.D.P. Dept., dated 2-12-1954 this Project will consist of 292 villages with an area of 1125 sq. miles. and with a population of about 6 lakhs. At present the Asst. Project Officer, Mangalore is in charge of I and a portion of the II Block which now lies in the recently formed Belthangady Taluk, while the Asst. Project Officer, Karkal is in charge of the whole of Karkala Taluk and the 9 villages of Coondapur Taluk i.e. the whole of III Block and Moodabidri and Venur firkas of Karkala taluk of II block. The total extent of the jurisdiction of the Asst. Project Officer, Karkal is 709 sq. miles which is nearly double the area of Mangalore Asst. Project Officer's jurisdiction. The extent of III Block is itself very vast and the villages are not easily accessible being situated in interior parts. I would be more clear if I submit that the extent of South Kanara Project is more than 2 times the basic type Project Block and the total population to be served being about 6 lakhs is three times the number stipulated in the Draft Out Line.

2/ With the assistance of a single clerk each in office, the Asst. Project Officers have to attend to office and as well as to executive work. Preliminary enquiries, selection of beneficiaries in all items of works, disbursement of loans under A.L. and L.I.L. Acts, supervision of work of village Guides and other subordinates working in the Community Project, sale of Water Seal Seats etc. are some of the important items of works that are being attended to by Asst. Project Officers in addition to correspondence work. Maintenance of several registers in connection with the disbursement of loans and drawal of establishment pay bills form substantial part of their duties.

3/ Though at the initial stages, the work was not heavy, the increase in work at the present stage with further increase hereafter has made it impossible for two Asst. Project Officers to carry on their duties with required efficiency and promptness. The Asst. Project Officers being the immediate administrative heads in their respective areas next to the Project Executive Officer, their prompt attention and active cooperation in all the activities of the Community Project at every stage are indispensable. Since most of the activities especially works programmed for execution require public contribution in one way or the other a close and constant contact with the masses is quite necessary for the early execution of works. With the increase in engineering staff in field it is found necessary to attend to the preliminary investigation of all works and selection of beneficiaries with greater promptitude lest the work of the technical staff should suffer.

P.T.O.

4/ In addition, the Asst. Project Officers have since been authorised to accept relinquishments as per G.O.Ms.No.2160 Public (R.D.P.) Dept., Dated 8-11-1954 which throw considerable work on them both in office and in the field. Disbursement of loans for the construction of houses under Rural Housing Scheme sanctioned in G.O.Ms.No. 2405, dated 4-12-1954 entails lot of enquiries and correspondence. With all these in items of work which have to be attended to with the utmost promptitude in view of the short period of the Project that remains before us, it is found that one more Asst. Project Officer is absolutely necessary to cope up with the work ~~ex~~ that lies ahead. With the limited time at disposal a vigorous and systematic drive on all fronts is expected from the Asst. Project Officers to accelerate and complete all the programmed items of works before the close of the Community Project period.

5/ I, therefore, request that one more Asst. Project Officer with a staff ~~maximum~~ of one Upper Division Clerk, one Lower Divsion Clerk-cum-typist and one peon may be sanctioned immediately to this Project so that each Asst. Project Officer may be put in charge of one block.

I, request the favour of early orders.

Yours faithfully,

SD. H.NARASIMHA.

Project Executive Officer.

South Kanara Project - Appointment of Additional A.P.O. -.

It is understood that the P.E.O., South Kanara had asked for an additional A.P.O. for the Project. The additional post is necessary and has to be sanctioned immediately in view of the increased tempo of work in the project. ~~Please put up the concerned file immediately.~~

The P.E.O's previous proposals got mixed up other proposals for this office D.C.D. & could not be examined. This should be seen now.

The addl. APO is required as the Project covers over two Taluks & is thus extensive in jurisdiction. The necessary funds are available. The

Orders of Addl. Secretary above.

According to the draft outline on Community Projects, each Project will embrace approximately 300 villages with a population of about 2 lakhs people and cover a cultivated area of approximately 1½ lakhs acres

of land. A Project Area will be divided into 3 Blocks, each comprising about 100 villages and a population of about 65,000 people.

2/. The South Kanara Project Area consists of 292 villages having an area of 1125 square miles and a population of about 6 lakhs. The Assistant Project Officer, Mangalore, is in charge of Block I and a portion of Block II which lies in the recently formed Belthangady Taluk. The Assistant Project Officer, Karkal is in charge of Block III and the remaining portion of Block II. The total extent of the jurisdiction of the Assistant Project Officer, Karkal is 709 square miles while that of the Assistant Project Officer, Mangalore is 416 square miles. The extent of Block III is very vast and the villages are situtated in interior parts. The extent of the South Kanara Project Area is more than 2 times the basic type and the total population to be served is 3 times the figure stipulated in the draft outline.

3/. The P.E.O., Mangalore has pointed out that the work has increased to such an extent that it has not been possible for two A.P.Os to carry on their work efficiently and promptly. The Asst. Project Officers being the immediate administrative Heads in their respective areas next to the P.E.O., their prompt attention and active cooperation in all the activities of the C.P. at every stage are quite essential. The works programmed for execution require public contribution and the A.P.Os should have constant contact with the masses. A.P.Os are authorised to accept voluntary relinquishments or gifts of lands for C.P. works. Disbursement of loans for construction of houses under the Rural Housing Scheme also entails a lot of enquiries and correspondence. All these items of work will have to be attended to promptly and the responsibility for this rests with the A.P.Os to an extent more or less equal to that of the B.D.Os in independent charge of C.D. and N.E.S. Blocks.

In order to cope with the greater area and larger ~~longer~~ population and the consequent heavy work and to achieve greater progress of work in the S.Kanara Project Area, it is quite essential that an additional post of A.P.O. is sanctioned for that Project Area. The sanction of this third A.P.O. will also be in keeping with the ~~Memorandum~~ Draft outline according to which there should be three A.P.Os for each Project. If it is agreed to sanction an addl. post of A.P.O., one addl. U.D.C., one L.D.C.-cum-Typist and one peon may ~~be~~ also have to be sanctioned to work under the third A.P.O. as required by the P.E.O. ~~in the case of other A.P.Os~~. Necessary funds for these addl. staff are available.

Finance Department may see for acceptance.

Pl. See the D.O letter in the C.f since received and the orders of Addl.S thereon.

An addl. staff one A.P.O, 1 U.D.C, one L.D.C.-cum-Typist and one peon may be sanctioned. A draft order is submitted. Pl. see for acceptance.

25/4/55

Due to increase in [illegible]

work, a third A.P.O was sanctioned a few months ago for Erode (L.B) project area also - There is therefore imminent need for the third A.P.O and the usual staff for him.

29.4.55

DCR

I have discussed this question in detail with the P.F.O. I am convinced that unless there is an addl A.P.O. the work in the project will suffer. The APO & the staff for him may be sanctioned

The case relates to the employment of an addl Asst. Project Officer with a subordinate staff of one u.d. clerk, one l.d. clerk cum typist and one peon for the South Kanara Project area. The extra cost involved in the proposal works out to Rs 6895/- p.a. recurring.

The notes of Pub(RDP) from plabove may be perused.

2. At present there are two Asst. Project officers in the S. Kanara Project area: the distribution of work and the jurisdiction of these two A.P.Os are explained in para 1 on p3 cf. For the reasons set out in the notes on pp 2-4 above, the Pub(RDP) Deptt

have proposed the employment of an addl Asst Project Officer with the addl staff mentioned in para 1 above.

It may be mentioned in this Connection that the Govt have recently sanctioned an addl post of one l.d. clerk and one peon A.P.O. I for the Lower Bhavani Project area. The following statement shows in one view the total number of villages and the total population of the L. Bhavani Project area for which three A.P.Os have been sanctioned and the total number of villages and population of the S. Kanara Project area :- p3cf/(X)

No of A.P.Os	Name of the area	No of villages	Population
3	L. Bhavani Project area	188	4,62,120
2	S. Kanara do	292	about 6 lakhs

Having regard to this fact and in the circumstances explained by Pub(ROD), Finance may agree to the employment of an addl Asst. Project Officer for the S. Kanara Project area. For the addl Asst Project Officer sanctioned for the Lower Bhavani area, only one l.d. clerk and one peon has been sanctioned - vide G.O. No 2095 Pub(ROD) dt 3-11-'54. On this analogy Fin may advise that for the addl Asst Project Officer proposed

p5cf/(X)

p5cf/(X)

for the S. Kanara Project area also, one l.d. clerk and one peon may be sanctioned.

If the above suggestion is accepted the extra cost involved will be Rs 5371/- p.a. If the scheme is likely to be continued beyond 28.2.56 and the extra cost involved exceeds Rs 5000/- p.a, the case will have to be circulated to M(F+E) and C.M. also before the issue of orders.

Subject to the above remarks and the amendments indicated in pencil, the draft order below may be accepted.

The note of the Finance Department on pp.4-6 above may be perused. This Department proposed that the following additional posts may be sanctioned for the S.Kanara Project Area:-

One A.P.O.
One U.D.C.
One L.D.C.-cum-Typist; and
One Peon.

The Finance Department have suggested that as in the case of L.B. Project Area, one Additional A.P.O. one L.D.C. and one peon may be sanctioned. The advice of the Finance Department may be accepted. The draft order has been suitably amended. Summarising note for circulation is put up.

NOTE FOR CIRCULATION
